

## HANS JOHN PANGA

- Role: Level 1 technician
- Location: Singida, Tanzania
- Date joined eWater: January 2022
- Education: Diploma in water supply and sanitation.
- Skills: Computer skills (currently learning coding and graphic design), and building relationships.
- What eWater means to me:

“eWater is a place for me to show my skills and help the company achieve its outcomes. I can also build relationships, increase my knowledge and learn new technologies. It is an amazing opportunity.”
